 > Subject: September Intergovernmental Agency meeting

> As you are aware, Commissioner Lightsey has requested that the MPO and the  
 > IA meetings are not held on the same day. On yesterday, Erin Vansickle  
 > and I reviewed the County Commission schedule and found that a good  
 > possible date to reschedule the IA meeting would be on Tuesday, September  
 > 16, 2003. I will need to prepare an agenda item for County Commission  
 > approval to change the IA meeting to this date. Erin has agreed to do a  
 > preliminary polling of the County Commissioner to insure that they are  
 > available. Please poll the City and County Commissioners to determine if  
 > they will be available to meet on Tuesday, September 16, 2003. The  
 > meeting will be held in the City Commission Chambers from 3:00 to 6:00.

> Please note that there will be a public hearing at 5:30 pm for the  
 > adoption of the Blueprint 2000 operating budget that will be scheduled for  
 > this meeting as well. This will be publically noticed and advertised,  
 > therefore the meeting date can not be changed once set.

> Thank you in advance for your assistance.
